Château Bourbon La Chapelle 2011 Médoc

PRESENTATION

Château Bourbon La Chapelle is the second property of Château Castera, produced from the fruit of the same vines. The predominantly clay-limestone terroir is topped by a thin layer of Pyrenees gravel.

The grapes are subjected to a rigorous selection process on our sorting tables. A moderate extraction process allows us to obtain supple tannins which, combined with a relatively short maceration, produce an exceptionally fruity wine.

Château Bourbon La Chapelle is matured in wood for 6 months. This process infuses the wine with a discreet, elegant touch of wood and allows the fruit to express its full potential.

GRAPE VARIETIES

60% Cabernet Sauvignon - 40% Merlot

TASTING NOTES

The colour of Bourbon La Chapelle 2011 is cherry with purple tint, it is clear and brilliant which characterized its youth.

The nose is clean with good intensity. The first nose is distinguished by black and red fruits to finish on fine oaked aromas. Raspberry, redcurrant and green almond aromas are present during the airing.

The attack is supple and developed to a body and fruity structure. Tannins are soft and silky with a balanced finish and a lightly oaked notes.

PRESS CLIPINGS

Gold medal

Beautiful clean red. Delightful nose blending red fruits and a vanilla tone. On the palate, a supple, fruit driven wine revealing more of the refined spice touch that lingers on the finish.
