YIELD: 44 hectolitres per hectare

TASTING NOTE :

Château Castera 2023 immediately charms on the nose with fresh blackcurrant aromas and a touch of eucalyptus, brought by the Cabernet Sauvignon. On the palate, the wine is generous from the first sip, supported by supple yet well-present tannins that provide structure and character. This lovely freshness carries through to a long, lively finish. A wine full of energy, charm and personality.

**93/100 Yves Beck**  
**91/100 James Suckling**  
**90/100 Jane Anson**
